

2025

STUDENT HANDBOOK

WYNDHAM VETDSS CLUSTER
VET DELIVERED TO SECONDARY STUDENTS (VETDSS)

Version Date:

06 May 2025

Wyndham VETDSS Cluster arrangement is founded on a spirit of co-operation between schools and with the purpose of providing a wider breadth of learning opportunities for students.

Participating Member Schools:

- | | |
|---------------------------------------|-------------------------------------|
| 1. Al-Taqwa College | 9. MacKillop College Werribee |
| 2. Bemis Secondary College | 10. Mount St. Joseph Girls' College |
| 3. Good News Lutheran College | 11. Tarneit Secondary College |
| 4. Heathdale Christian College | 12. The Grange P-12 College |
| 5. Hoppers Crossing Secondary College | 13. Thomas Carr College |
| 6. Jennings Street School | 14. Warringa Park School |
| 7. Julia Gillard Community College | 15. Werribee Secondary College |
| 8. Manor Lakes P-12 College | 16. Wyndham Central College |

PLEASE REFER ALL YOUR QUESTIONS IN THE FIRST INSTANCE TO YOUR HOME SCHOOL VET COORDINATOR.

For more information please contact:

Karen Kennedy
Partnership Manager
Wyndham and Hobsons Bay VETDSS Cluster
Mob: [0417 543 797](tel:0417543797)
Email: karen@wynbayllen.org.au

Privacy notice

When a student applies for a VET course, the student's school (Home School) will assist the relevant external provider (which includes a Delivery School and/or Registered Training Organisation (RTO)) with collecting student information for the purposes of assessing the application and placement of the students in VETDSS course. The Home School's career advisor or VET coordinator will also work together with students to upload their application information into a secure online portal managed by the WynBay Local Learning Education Network, which is funded by the Victorian government.

When a student is accepted into a VET course, the Home School may assist the relevant external provider with collecting necessary student personal and health information needed for enrolment with the external provider, supporting students' educational, social and wellbeing needs, medical emergencies and other purposes stated in the Schools' Privacy Policy.

Once the student is accepted into the course, in order to ensure the safety and wellbeing of students and others, the school may also share necessary student information such as emergency contacts, health plans, foreseeable risks, or reasonable adjustments that it holds with the chosen VET course external provider (which includes the RTO and Delivery School) and where permitted by law.

If you have questions or wish to request access to the information, please contact your Home School's VET Coordinator. For more information about how government schools handle student and parent information, please see: <https://www.education.vic.gov.au/Pages/schoolsprivacypolicy.aspx>

WHAT IS VET DELIVERED TO SECONDARY STUDENTS PROGRAM (VETDSS)?

Vocational Education and Training (VET) programs delivered to secondary school students are designed to expand opportunities and pathways for students and improve educational outcomes in line with the Victorian Government's objective to increase the number of young people completing Year 12 or equivalent. The skills you learn relate to a career pathway, so can apply them at work or in further education and training. You can add a VET course or certificate to your studies while you're at school.

Students can include VET in the new VCE Vocational Major (VCE VM) and Victorian Pathways Certificate (VPC).

Incorporating VET in your VCE or VCE Vocational Major

VET can play an important role in senior secondary schooling. When you add VET to your VCE or VCE VM studies you gain practical skills in an industry you are interested in.

VET courses:

- provide a nationally recognised qualification in a specific industry, or provide credit towards one contribute towards the completion of your VCE
- allow you to study through School-Based Apprenticeships and Traineeships, which are often paid positions.

VET programs in the VCE and VCE Vocational Major:

There are a range of VET programs that you can select as part of your VCE or VCE Vocational Major. Please ask your school VET Coordinator or Careers Counsellor about the VET programs your school offers.

Combining VET with your Victorian Pathways Certificate (VPC)

VET plays an important role in the later years of secondary school. Adding VET to your Victorian Pathways Certificate (VPC) gives you practical work-related skills in a specific industry.

VET courses:

- Provide a nationally recognised qualification in a specific industry, or credit towards one.
- Contribute towards the completion of your VCE.
- Allow study through a [School-Based Apprenticeships and Traineeships](#). These are often paid positions.

Talk to your school about how you can combine VET studies with your VPC.

Apprenticeships and traineeships at school

Your VCE or VCE Vocational Major can also include an apprenticeship or traineeship. You can also combine an apprenticeship or traineeship with your VPC. Starting an apprenticeship or traineeship while at school means you can get paid on-the-job training that leads to a qualification. School-based apprenticeships and traineeships give you the confidence and vocational skills that employers need.

VET credit in VCE, including the VM and the VPC

Students gain credit into their VCE, including the VM, and the VPC by undertaking:

- [VCE VET programs](#) that have been developed by the VCAA in consultation with stakeholders including industry. Information regarding the VCE credit available in each VCE VET program is published on the individual VCE VET program pages on this website.
- approved [apprenticeships and traineeships](#) that are in the same industry areas as designated VCE VET programs
- other VET qualifications, which provide credit into the VCE through [block credit recognition](#)

VET credit towards the VCE, including the VM

From 2023, the following policies will apply to VET credit towards the VCE, including the VM:

- Students can accrue VCE credit achieved through multiple VET qualifications at Certificate II level or above, up to a maximum of 180 nominal hours of completed units of competency (UoCs). This will give students two VCE units towards the VCE / VCE VM.
- Students who complete 180 nominal hours of UoCs in a certificate II or above, then move into another certificate III or above in the same industry* will accrue VCE credit at Unit 3–4 level for the next 180 nominal hours of completed UoCs.
- Students who complete 180 nominal hours of UoCs in a certificate II or above, receiving VCE Units 1 and 2 credit, and then enrol in an approved apprenticeship or traineeship will accumulate VCE credit from the apprenticeship/traineeship in the following order: Units 3, 4, 1, 2, 3, 4.

For example, a student completes 180 nominal hours of training in Certificate II in Kitchen Operations and receives VCE VET Hospitality Unit 1 and 2. The student then decides to move into a Certificate III in Carpentry SBAT. For their next 180 hours of training, they will receive VCE Units 3 and 4. Each additional 90 nominal hours of training would accrue VCE credit in the following order: Units 1, 2, 3, 4.

This policy applies to:

- all SBATs in certificates III or above
- certificate II traineeships that are in the same industry* as VCE VET programs drawn from certificate II qualifications that provide VCE Units 1–4 credit (typically trade pathways or pre-apprenticeship qualifications).

* Qualifications deemed to be in the same industry for VCE credit purposes are determined based on their Training Package Industry Code (e.g. BSB, SIT, AUR, etc.)

VET credit towards the VPC

From 2023, students will gain VET credit into the VPC in the following way:

- 90 nominal hours-worth of completed UoCs from a certificate I qualification or above will provide one credit towards the VPC.
- Students can accrue credit across multiple VET qualifications, up to a maximum of 180 hours. This will give students two units towards the VPC.

VET QUALIFICATIONS

Schools are able to offer senior secondary students VET qualifications selected from the range of industry areas approved by the VCAA.

Successful completion of VET in the VCE VM or VPC can provide students with:

- a VCE (including the VM), a VPC or VCAL certificate issued by the VCAA, and a VET certificate issued by a registered training organisation (RTO)
- two statements of results issued by the VCAA giving details of units completed in the VCE, VCE VM, VPC or VCAL and UoCs completed in the VET qualification
- an enhanced ATAR, which can improve access to further education
- pathways into employment and/or further VET qualifications or training
- workplace experience gained through structured workplace learning.

Students value VET because it:

- allows them to combine general and vocational studies which for many, provides a practical focus in a range of industry areas
- provides direct experience of business and industry
- enables them to explore training in areas that will enhance their pathway choices.

Employers value VET because it:

- contributes to the development of entry level skills for their industry
- provides students with a practical and focused introduction to workplace requirements
- enhances the employability of students
- enables industry to contribute to educational programs in schools
- enables industry to participate in local community networks.

More information:

- Find out about the [VCE VM curriculum](#).
- Find out more about the VCE VM [professional learning](#) available for providers.

VETDSS ASSESSMENT PLANS

Courses delivered in the cluster that are relevant to VCE scored assessment are:

- | | |
|-------------------------------------|---|
| • HLT33021 ALLIED HEALTH ASSISTANCE | • ICT30120 INFORMATION TECHNOLOGY |
| • BSB30120 BUSINESS | • CUA30920 MUSIC (PERFORMANCE) |
| • CHC32015 COMMUNITY SERVICES | • CUA30920 MUSIC (SOUND PRODUCTION) |
| • SIT20421 COOKERY | • CUA31015 SCREEN AND MEDIA |
| • CUA30120 DANCE | • SIS30122 SPORT, AQUATICS AND RECREATION |
| • 22632VIC ENGINEERING STUDIES | |

For details of the score assessment please see the **Assessment Plans document**.

GENERAL VETDSS PROGRAM INFORMATION

TRAVEL ARRANGEMENTS

Some students will be required to travel independently to and from the venue of the course they have chosen. Wednesday and Friday are the agreed VETDSS delivery time in the Wyndham VETDSS Cluster. There will be a cluster bus provided on these days. It travels to all the schools in Wyndham Cluster (bus times will be provided at the start of 2023).

When VET classes have finished for the day, all students must leave the HOST school's premises in a swift and timely manner.

STUDENT BEHAVIOUR AND SAFETY INCIDENTS

Students will abide by the teacher's rules and the rules of the HOST School whenever they are on site. This includes meeting Occupational Health and Safety Requirements in and out of the classroom. All incidents regarding the safety of a student must follow the process below by reporting it to the HOME school VET Coordinator on the day of the incident. Attitude and behaviour are to be of the expected standard.

Breaches of safety or serious offences will require students to be sent out of class. The HOST school VET Coordinator /RTO must communicate this by writing and phone to the HOME and HOST SCHOOL VET Coordinator where applicable on the day of the incident or for any safety incidents.

All incidents that occur relating to a student's behaviour or safety must be escalated to Karen Kennedy (WynBay LLEN Partnership Manager) on the day of the incident so a course of action can be negotiated by all parties. All correspondence by all parties should be in writing. The action that might occur depending on the severity of the student's behaviour could result in a warning or a meeting between the Home School VET Coordinator, HOST school VET Coordinator, a parent, and the student.

A review of the student's continued participation in VET will be considered. Serious breaches in behaviour can result in an exclusion from VET.

DRESS CODE

Students are required to wear their Home School uniform when attending VET programs at delivery schools within the cluster. If attending University or TAFE students must comply with University / TAFE requirements. When students are completing a practical subject, students must bring their required safety or work clothes to the class and change once they have entered the school/venue. Students are not required to wear school uniform on SWL.

Please note if any student studying a trade arrives at their VET class without their correct clothing, they will be asked to leave class immediately. The HOME school VET Coordinator must be called when a student is asked to leave a VET class.

STUDENTS ABSENCES

Students are permitted a maximum of 2 absences per semester or 4 for the year. An additional 2 approved absences will be allowed per year for school camps, excursions etc. Any more absences may result in the student not satisfactorily completing the units/modules. Students need to notify their VET Co-ordinators, trainers and/or the workplace in advance.

STUDENT CHARGES FOR VET

Please be aware that there is a student charge for all VET programs. VET programs can be very expensive and so the cost of the program should be considered carefully before selecting a VET. Please see your VET Co-ordinator for charges for 2023. Please be aware that there is no REFUND if you do not withdraw from the VET program before the withdrawal Census date. Please see your VET Co-ordinator for details about withdrawing.

MINIMUM CLASS SIZES AND CHANGES TO PROGRAMS

Please be aware that if numbers are insufficient to meet a minimum class size the VET program will be withdrawn. Please note the following arrangements and course outlines are subject to change. Courses delivered at different sites may include modules which vary from the sample course outline included in this booklet. Students will be notified of changes prior to course commencement.

WHAT IS A STRUCTURED WORKPLACE LEARNING (SWL)?

Structured Workplace Learning (SWL) experiences help students relate theory to a real-world work environment while developing their skills. SWL is a valuable component of all VET qualifications, and where possible should be spread across the duration of the VET program. It provides context for:

- enhancement of skills development
- practical application of industry knowledge
- assessment of units of competency/modules, as determined by the Registered Training Organisation
- increased employment opportunities.

Students can, and are encouraged to, undertake SWL as part of their VET to gain hands on experience and on-the-job training linked to their VET and can do SWL without doing the SWLR units within this study design. In all cases, SWL is strongly recommended. Several VCE VET programs have a mandated SWL component. The SWL requirements are expressed in hours and weeks and are expected to be carried out over the duration of VCE VET programs.

To arrange a SWL placement, start by talking to your teacher. Before SWL starts, your principal, the employer and parent or carer must sign the SWL Arrangement Form. You must learn about occupational or workplace health and safety at school before you start a SWL placement. This could be part of your VET course or a separate program (for example safe@work, A Job Well Done, or VCE Vocational Major Work Related Skills). Your teacher will help you with this.

Policy, Guidance and resources for SWL can be found on the Department of Education website here: [Structured Workplace Learning: Policy | education.vic.gov.au](https://www.education.vic.gov.au/structured-workplace-learning/policy)

Structured Workplace Learning Recognition (SWLR)

It is important to distinguish the difference between Structured Workplace Learning (SWL) and Structured Workplace Learning Recognition (SWLR). SWL is an appropriate and valuable component of all VCE VET programs and other vocational and applied learning studies within the VCE VM and VPC. SWL involves on-the-job training in which students are required to master a designated set of skills and competencies related to VCE VET programs.

SWLR is the credit students can receive towards their VCE or VPC from the formal recognition of the SWL placement. From 2024 credits will be awarded through the satisfactory completion of the VCE units contained within the Structured Workplace Learning Recognition for VET (2024-2025) study design.

<https://www.vcaa.vic.edu.au/curriculum/vce/vce-study-designs/SWLRforVET/Pages/WLRResources.aspx>

Structured Workplace Learning Recognition is a valued program within the VCE (including the VCE VM) and VPC. It provides students with the opportunity to experience, investigate, document and reflect on on-the-job-learning and workplace skills acquired through an authentic work placement in an industry aligned with their VCE VET qualification or school-based apprenticeship or traineeship (SBAT). There is no expectation that students complete SWLR. **This is not mandated for any VCE VET Study – this only applies to students who wish to get credit for SWLR.** Students can still, and are encouraged to, undertake SWL as part of their VET to gain hands on experience and on-the-job training linked to their VET without doing the SWLR units. Each unit deals with specific content contained in areas of study and is designed to enable students to achieve a set of outcomes for that unit. Each outcome is described in terms of key knowledge and key skills. A SWL assessment record must be filled out and signed by the assessor or teacher. This can be found on the [SWL recognition assessment guidelines](#) page.

SWL ARRANGEMENTS

All structured workplace learning arrangements must comply with Ministerial Order 1412 – [Structured Workplace Learning Arrangements](#) and the accompanying arrangement forms must be used — refer to the [Resources](#) tab.

The Department has developed comprehensive guidance, on the [Guidance](#) tab, to support schools to comply with their obligations under Ministerial Order 55.

SWL ARRANGEMENT FORM

The [Structured workplace learning arrangement form \(PDF\)](#) must be completed and signed before the

structured workplace learning commences. It must be signed by:

- the employer
- the student
- the parent/guardian of the student – if the student is under 18 years of age
- the principal or acting principal – this authority cannot be delegated to an assistant principal or other member of staff.

The principal must ensure a copy of the signed arrangement form is provided to each party. The principal must retain the original copy.

SWL TRAVEL AND ACCOMMODATION FORM

The [Structured workplace learning travel and accommodation form \(PDF\)](#) must be used if:

- it is proposed that the student may need to undertake vehicle travel with their employer and/or supervisor during the arrangement, including travel to-or-from the workplace
- the student is required to stay in accommodation other than their normal place of residence while undertaking structured workplace learning.

This form must be signed by:

- for travel – both the employer and the parent/guardian – or the student if they are aged 18 years or over
- for accommodation – the parent/guardian – or the student if they are aged 18 years or over.

OCCUPATIONAL HEALTH AND SAFETY

Principals must be satisfied that a student is either undertaking or has completed occupational health and safety (OHS) training prior to commencing structured workplace learning as follows:

- where a student is undertaking structured workplace learning as part of a VET program within the VCE including the VCE Vocational Major, or the Victorian Pathways Certificate – the principal must be satisfied that the student is undertaking, or has completed the OHS training unit of competency within the VET program
- where a student is undertaking structured workplace learning which is not related to their VET program within the VCE including the VCE Vocational Major, or the Victorian Pathways Certificate – the principal must be satisfied that the student has completed an OHS program required by the department as follows:
 - if the student is undertaking VCE Industry and Enterprise – they must complete [safe@work](#)
 - if the student is undertaking structured workplace learning to complement an applied learning program as part of the VCE

Vocational Major or the Victorian Pathways Certificate – they must complete [safe@work](#).

CHILD SAFE STANDARDS

The Child Safe Standards are compulsory minimum standards for all Victorian schools to ensure they are well prepared to keep children and young people safe and protect them from abuse. [Ministerial Order 1359 – Implementing the Child Safe Standards – Managing the risk of child abuse in schools \(PDF\)](#) provides the framework for child safety in schools.

The Child Safe Standards require schools to put in place systems and processes to help prevent harm to students in all school environments, including workplace learning environments where students undertake:

- work experience
- structured workplace learning
- school community work/volunteering
- and school based apprenticeships and traineeships.

For more information, visit:

- [Child Safe Standards](#)
- [PROTECT website](#)

COURSE CODE: AHC20122

CERTIFICATE II IN AGRICULTURE – NOT RUNNING IN 2025

Program Description:

Certificate II is regarded as an entry-level course. This qualification provides a general vocational outcome in agriculture. The qualification enables individuals to select a livestock production or cropping context as a job focus or, in the case of mixed farming enterprises, both. A farm tradesperson is an experienced farmhand and is likely to be involved in co-ordinating a wide range of agricultural operations. Work undertaken as a farm tradesperson will depend on the type of farm production carried out, and includes:

- planting and harvesting crops
- implementing animal and crop husbandry practices
- servicing and repairing farm equipment and machinery
- designing and constructing fencing
- loading and unloading livestock
- installing and maintaining farm water supplies and irrigation systems

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

COURSE CODE	AHC20122
CERTIFICATE NAME	Certificate II in Agriculture
ENROLMENT TYPE	VE1
RTO CODE	21316
RTO NAME	ACAH
ATAR	Not scored assessment.
STRUCTURED WORKPLACE LEARNING (SWL)	Strongly recommended The VCAA strongly recommends a minimum of 80 hrs (2 weeks) of structured workplace learning over the duration of the VCE VET program.

YEAR 1	
VCE UNITS	UNITS 1 & 2
DAY & TIME	Wednesday - Full day delivery 9:30am – 2:30pm
HOST SCHOOL - LOCATION	Werribee Park/25 Whites Rd, Werribee South
YEAR 2	
VCE UNITS	UNITS 3 & 4
DAY & TIME	Offered in 2026
HOST SCHOOL - LOCATION	

UNITS OF COMPETENCY

YEAR 1 [2026]

MODULE CODE	MODULE NAME	HOURS	Scored Assessment
AHCWHS202	Participate in WHS processes	20	N
AHCWRK211	Participate in environmentally sustainable work practices	20	N
AHCCHM201	Apply chemicals under supervision	30	N
AHCIRG221	Assist with pressurised irrigation operations	30	N
AHCMOM203	Operate basic machinery and equipment	30	N
RIISAM203E	Use hand and power tools	20	N
AHCPTH215	Plant horticultural crops	25	N
AHCMOM216	Operate side by side utility vehicles	25	N

YEAR 2 [2025] ALL STUDENTS IN YEAR 1 & 2 ARE STUDYING THE SAME YEAR 2 UNITS IN 2025

MODULE CODE	MODULE NAME	HOURS	Scored Assessment
AHCPMG201	Treat weeds	30	N
AHCPMG202	Treat plant pest, diseases and disorders	30	N
AHCPCM204	Recognise plants	30	N
AHCSOL203	Assist with soil or growing media sampling and testing	30	N
AHCBIO203	Inspect and clean machinery, tools and equipment to preserve biosecurity	30	N
AHCPLY303	Maintain health and welfare of poultry	25	N
AHCWRK212	Work effectively in the industry	25	N
AHCWRK213	Participate in workplace communications	25	N

Commencement of program will be dependent on adequate student numbers for enrolment and funding.
Programs and units of competency are subject to change prior to commencement.

COURSE CODE: HLT33021

CERTIFICATE III IN ALLIED HEALTH ASSISTANCE (PARTIAL COMPLETION)

Program Description

Certificate III in Allied Health Assistance provides students with the knowledge and skills that will enhance their employment prospects in the Health industry. These qualifications cover workers who provide assistance to allied health professionals and other health professionals with the care of clients.

Pathways / Career Opportunities

Upon successful completion of the Certificate III in Allied Health Assistance you will be prepared for further training to establish your career in a range of health fields. This course has pathways, and possible credit into further study in allied health, remedial massage and nursing.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Holiday Training (may be subject to change)

Holiday Training may be expected for this course and will be confirmed at a later date.

Program Requirements

This course requires you to obtain a Working With Children Check. If you already have this check it is a great benefit! You MUST email vetinschools@gordontafe.edu.au a copy of the check.

UNITS OF COMPETENCY

YEAR 1

MODULE CODE	MODULE NAME	HOURS	Scored Assessment
HLTWHS001	Participate in workplace health and safety	20	N
CHCCOM005	Communicate and work effectively in health or community services	30	N
BSBPEF301	Organise personal work priorities	30	N
HLTINF006	Apply basic principles and practices of infection prevention and control	35	N
CHCCCS002	Assist with movement	25	N
CHCDIV001	Work with diverse people	40	N
CHCCCS020	Respond effectively to behaviours of concern	20	N

YEAR 2

MODULE CODE	MODULE NAME	HOURS	Scored Assessment
BSBMED301	Interpret and apply medical terminology appropriately	60	Y
HLTAAP001	Recognise healthy body systems	70	Y
HLTHPS001	Take clinical measurements	50	Y

Commencement of program will be dependent on adequate student numbers for enrolment and funding.
Programs and units of competency are subject to change prior to commencement.

COURSE CODE: ACM20121

CERTIFICATE II IN ANIMAL CARE

Program Description:

This program provides training and skill development for the achievement of competencies in areas such as occupational health and safety, animal care, veterinary clinic duties, handling of animals and communication skills.

Pathways / Career Opportunities:

Successful completion of this program will provide participants with access to a range of entry-level employment opportunities in veterinary clinics, animal shelters, pet shops, companion animal services, or animal training services. This course is also the preferred prerequisite to continue study in ACM30110 Certificate III in Animal Studies.

Major areas of study include:

- Working in the animal care industry
- Assisting with general care of animals
- First aid for animals.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Additional Costs: Protective clothing and minor equipment may also need to be purchased.

Holiday Training (may be subject to change)

Holiday Training may be expected for this course and will be confirmed at a later date.

YEAR 1

MODULE CODE	MODULE NAME	HOURS	Scored Assessment
ACMWS201	Participate in workplace health and safety processes	40	N
ACMGEN310	Provide reception services for an animal care facility	30	N
ACMGEN204	Assist in health care of animals	40	N
ACMGEN205	Source and provide information for animal care needs	40	N
BSBCMM211	Apply communication skills	40	N
ACMSPE317	Provide general care of domestic cats	40	N

YEAR 2

MODULE CODE	MODULE NAME	HOURS	Scored Assessment
ACMGEN203	Feed and water animals	40	N
ACMGEN202	Complete animal care hygiene routines	30	N
ACMBEH302	Provide enrichment for animals	40	N
ACMGEN310	Provide reception services for an animal care facility	30	N
ACMSUS201	Participate in environmentally sustainable work practices	20	N
ACMSPE316	Provide general care of domestic dogs	40	N

Commencement of program will be dependent on adequate student numbers for enrolment and funding.
Programs and units of competency are subject to change prior to commencement.

COURSE CODE: MST20722

CERTIFICATE II IN APPAREL, FASHION AND TEXTILES

Program Description:

Certificate II in Apparel, Fashion and Textile provides an introductory overview of skills that can be applied in the fashion industry. It includes various skills in designing, production of garments, millinery, and the development of unique fashion and textile designs.

Pathways / Career Opportunities:

The VCE VET Certificate II in Apparel, Fashion and Textile program opens up many different training and employment pathways. VCAA recommends study at the lower levels to develop industry foundation skills before moving to higher qualifications.

Careers pathways may include employment into the roles such as

- production assistant
- clothing technician
- merchandising assistant.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

*VCAA

Certain units of competency will complement each other, lending to coordinated delivery that minimizes content overlap. *VCAA

COURSE CODE: AUR20720

CERTIFICATE II IN AUTOMOTIVE VOCATIONAL PREPARATION (MECHANICS)

Program Description:

This program provides training and skill development required to perform minor maintenance and repair of an automotive vehicle body. The range of technical skills and knowledge is limited. This qualification reflects the role of individuals who perform a limited range of tasks relating to identifying and inspecting mechanical and electrical components and systems of light vehicles, heavy vehicles, outdoor power equipment, bicycles, marine craft and motorcycles.

Pathways / Career Opportunities:

This program will prepare students with a solid foundation of practical skills required to successfully gain an apprenticeship in the automotive industry within the automotive repair, service and retail sectors. School-based new apprenticeships may also be available in addition to entry-level employment. The qualification offers a number of pre-vocational outcomes that provide credit into apprenticeship qualifications.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Additional Costs: Protective clothing and minor equipment may also need to be purchased.

Holiday Training (may be subject to change)

Holiday Training may be expected for this course and will be confirmed at a later date.

COURSE CODE: BSB30120

CERTIFICATE III IN BUSINESS

Program Description:

This qualification reflects the varied roles of individuals across different industry sectors who apply a broad range of competencies using some discretion, judgement and relevant theoretical knowledge.

Students will develop and build teamwork, interpersonal skills and organisational capabilities which can be used to further strengthen their employability skills post- secondary schooling.

The importance of digital literacy in the workforce will be addressed, and students will gain a deeper understanding of its importance to their work lives. The course is delivered over 1-2 years depending on the individual school and time allocated within the school framework.

Pathways / Career Opportunities:

Completion of the Certificate III in Business provides a pathway into training and employment in business and related industries. Potential occupations may include accounts clerk, accounts payable clerk, general clerk, junior personal assistant, office assistant, receptionist and word processor. Further study through higher education pathways could lead to employment opportunities in commerce, management or marketing.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Programs and units of competency are subject to change prior to commencement.

COURSE CODE: RII20720

CERTIFICATE II IN CIVIL CONSTRUCTION

Program Description:

This course provides exposure to the type of work and skills that are required as a skilled operator working in civil construction.

Pathways / Career Opportunities:

Upon successful completion of this program you may receive credit towards the RII30920 Certificate III in Civil Construction and RII30820 Certificate III in Civil Construction Plant Operations. Successful completion of this program prepares you with a solid foundation of practical skills required to successfully gain an apprenticeship in the civil construction industry.

Equipment:

Personal protective clothing and equipment to be supplied by student: >Workpants >Hi-vis top (polo shirt/jumper) >Work boots - steel capped PPE >Earplugs >Face mask for dust protection >Safety glasses >Hard hat

Equipment and books to be supplied by student:

>Ballpoint pen and notebook >Bricklayers pencil/Pencils: 2H and HB >USB

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

COURSE CODE	RII20720
CERTIFICATE NAME	Certificate II in Civil Construction
ENROLMENT TYPE	VE1
RTO CODE	3113
RTO NAME	Victoria University
ATAR	Not scored assessment
STRUCTURED WORKPLACE LEARNING (SWL)	Strongly recommended The VCAA strongly recommends a minimum of 80 hrs (2 weeks) of structured workplace learning over the duration of the VCE VET program. Placement may occur during the term holidays

CERTIFICATE III IN COMMUNITY SERVICES (PARTIAL COMPLETION)

Program Description:

VCE VET Community Services program offers students the opportunity to learn about the community services sector and explore specific contexts of work. They will develop skills in communication, information provision and processing, administration support, networking and group support.

Pathways / Career Opportunities:

Certificate II in Community Services can provide pathways into work or further study in community services, in areas such as child care, aged care, home and community care, alcohol and other drugs work, disability work, social housing or mental health work. With additional training and experience, future employment opportunities may include a community health worker, counsellor, school support worker, case manager. Pathways are also available from this qualification into the Health Training Package in areas such as allied health assistance and nursing. Further study can also be undertaken in the higher education sector in areas such as social work and education.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

CERTIFICATE II IN CONSERVATION AND ECOSYSTEM MANAGEMENT / HORTICULTURE “SUPPORTED PROGRAM”

Program Description:

Certificate II is regarded as an entry level course. Graduates will have skills and knowledge to become a valued and productive employee within the Amenity Horticulture Industry. Graduates assist with planting and maintaining lawns, shrubs and garden beds in public or private gardens and parks. Upon successful completion of the Certificate II in Horticulture students may choose to complete an apprenticeship or traineeship in Land Conservation and Management type roles.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

The attire required for students are:

- Closed (safety) non-leather footwear - possible
- Long sleeve – high visibility shirt (preferably not yellow, and bees and bugs get attracted to it), and helmets for side-by-side driving
- Long Tradies Pants
- Disposable Coveralls will be provided
- Gardening gloves and will provide disposable nitrile gloves when handling other materials.
- Hat (summer months and when outside)
- Safety Googles (it will be provided)
- Thermals (during winter).

CERTIFICATE II IN COOKERY

Program Description:

This course equips you with a range of practical skills to operate in a supervised kitchen workplace. During this hands-on program you will develop food handling, preparation skills and further hospitality industry knowledge.

Pathways / career opportunities

This program also has a direct pathway into a cookery or patisserie apprenticeship, and you may receive credit towards an apprenticeship qualification. Successful completion of this program can also lead you to a range of entry-level employment opportunities where food is prepared and served, including restaurants, hotels, catering operations, clubs, cafes, cafeterias and coffee shops.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Uniform requirements:

All students completing this course will be required to purchase a Chef's uniform, which will be ordered for them through Heathdale Christian College. **This uniform will require an additional payment of approximately \$85 on top of any other costs.**

COURSE CODE: CUA20120 / CUA30120

CERTIFICATE III IN DANCE (PARTIAL COMPLETION)

Program Description:

Certificate II in Dance aims to provide students with the technical and performance skills to begin the process of establishing a career in the entertainment industry. Students will learn the necessary knowledge and skills to enable them to participate in a variety of dance routines. Units 1 and 2 of the programs include developing basic levels of physical condition for dance performance and basic dance techniques, sourcing information on the history and theory of dance and applying it to an area of work. Units 3 and 4 offers scored assessment and incorporates units such as sourcing and applying entertainment industry knowledge, preparing for a dance performance, refining basic dance techniques and applying basic dance techniques for performances.

Pathways / Career Opportunities:

Completion of Certificate II in Dance will assist students in entering the dance industry. With additional training and experience, future employment opportunities may include dancer, performer, choreographer.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

CERTIFICATE III IN EARLY CHILDHOOD EDUCATION & CARE (PARTIAL COMPLETION)

Program Description:

The Certificate III in Early Childhood Education & Care program provides students with a significant introduction to the knowledge, skills and attributes required to work in early childhood education.

Units of Competency selected for VCE Units 1&2 introduce the frameworks that early learning centres operate in, as well as a First Aid unit.

Units of Competency selected for VCE Units 3&4 add skills and knowledge for working with children.

At the end of this program students have the option of continuing their enrolment as adults in order to complete and achieve the qualification.

Structured Workplace Learning is a requirement of this program. Students are expected to complete a minimum of 40 hours per year in a registered early learning centre. For those students going on to compete the qualification, these hours will count towards the mandatory 160 hours of placement that are a requirement to obtain the qualification.

Pathways / Career Opportunities:

Completion of this VETDSS program provides students with the hours required to achieve the VET units for VCE VM.

Students may continue to work towards completing the Certificate III in Early Childhood Education and Care post their secondary schooling.

Completion of the qualification enables students to work in registered early learning centres, family day care and outside school hours care programs.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

COURSE CODE	CHC30121

COURSE CODE: 22682VIC / 22499VIC

CERTIFICATE II IN ELECTROTECHNOLOGY (PRE-VOCATIONAL)

Program Description:

The Certificate II in Electrotechnology aims to provide students with the knowledge and skills to achieve units of competence that will enhance their employment prospects in the electrical industry. It also provides students with increased opportunities of gaining an electrical apprenticeship. The program also provides experiences across a number of electrical trades including electrical, electronics, refrigeration and mechanical engineering.

Pathways / Career Opportunities:

The program will prepare students for entry-level employment in the electrical industry and enhance their opportunity of gaining an electrical apprenticeship. The Certificate II qualification has a clear relationship with further training in the electrical/electronic industry. It is anticipated that students progressing to an apprenticeship may receive credits towards their off-the-job training in the apprenticeship.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Additional Costs: Protective clothing and minor equipment may also need to be purchased.

Holiday Training (may be subject to change)

Holiday Training may be expected for this course and will be confirmed at a later date.

Program Requirements

This course includes the delivery of First Aid & Construction Induction (White Card). If you already have completed these units previously it is a great benefit! You **MUST** email vetinschools@gordontafe.edu.au your USI Transcript or Statement of Attainment prior to starting the course.

CERTIFICATE II IN ELECTROTECHNOLOGY (PRE-VOCATIONAL) [VICTORIA UNIVERSITY]

Program Description:

This course with Victoria University Polytechnic can help you get your foot in the door. It will give you the industry skills and knowledge to gain access to a wide range of apprenticeships offered in the electrotechnology industry. You'll develop technical skills and knowledge that will ensure you are ready for work in the electrical trade, including:

- basic electrical theory and workshop practices
- basic network cabling for extra low voltage (ELV) equipment and devices
- use of test instruments in the electrotechnology industry
- wiring and installation
- provision of basic sustainable energy solutions in domestic premises
- fabrication, assembling and dismantling utilities industry components
- working with electrotechnology equipment and use of test instruments
- workplace safety and first aid.

You will graduate with a nationally recognised qualification as well as credits for further training as an apprentice, or trainee in the electrotechnology industry in areas such as: electrical, renewable energy, air conditioning/refrigeration Instrumentation.

Pathways / Career Opportunities:

When you graduate, you could find employment in roles such as:

- apprentice electrician
- apprentice electrical fitter
- apprentice air conditioning and refrigeration mechanic
- renewable energy systems installer
- electrical engineering technician
- data and security installations.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Equipment: overalls or workpants with rule pocket, safety boots, PPE – earplugs, safety glasses, calculator / A4 ring binder / ballpoint pen and notebook.

COURSE CODE	Year 1: 22682VIC Year 2: 22499VIC

CERTIFICATE III IN EMERGING TECHNOLOGIES

Program Description:

This course will allow students to complete Certificate III in Emerging Technologies.

The Certificate III in Emerging Technologies program prepares students for entry-level positions in a range of industry, business and community contexts. It can also lead to further education and training or directly into employment and aims to develop transferable skills and knowledge in the use of emerging technologies.

The Certificate III in Emerging Technologies qualification reflects the varied and in demand roles required in the digital world and how to apply a broad range of competencies using some discretion, judgement and relevant theoretical knowledge. Students will develop enterprise skills and the technical knowledge needed to solve work-place challenges, the impact of evolving technology on jobs, and engage in product design, 3D printing and Smart Cities.

The importance of digital literacy in the workforce will be addressed, and students will gain a deeper understanding of its importance to their work lives.

Pathways / Career Opportunities:

Completion of the Certificate III in Emerging Technologies provides a pathway into training and employment in a range of industry, business and community contexts. Some potential occupations may include Multimedia Designer, Social Media Administrator, New Product Designer, Smart Cities Developer, Digital Technician. Further pathways to the Certificate IV in Information Technology and Certificate IV in Cyber Security, through to Diploma and Bachelor levels.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

CERTIFICATE II IN HORTICULTURE

Program Description:

Certificate II is regarded as an entry level course. Graduates will have skills and knowledge to become a valued and productive employee within the Amenity Horticulture Industry. Graduates assist with planting and maintaining lawns, shrubs and garden beds in public or private gardens and parks. Upon successful completion of the Certificate II in Horticulture students may choose to complete an apprenticeship or traineeship in Horticulture, Parks and Gardens or Landscape Construction.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

The attire required for students are:

- Closed (safety) non-leather footwear - possible
- Long sleeve – high visibility shirt (preferably not yellow, and bees and bugs get attracted to it), and helmets for side-by-side driving
- Long Tradies Pants
- Disposable Coveralls will be provided
- Gardening gloves and will provide disposable nitrile gloves when handling other materials.
- Hat (summer months and when outside)
- Safety Goggles (it will be provided)
- Thermals (during winter).

COURSE CODE: SIT20322 & SIT20421

CERTIFICATE II IN HOSPITALITY & CERTIFICATE II IN COOKERY [DUAL PROGRAM]

Program Description:

The VCE VET Hospitality program is drawn from a national training package and offers portable qualifications which are recognised throughout Australia. These qualifications provide students with a broad range of skills and knowledge to prepare them for a diverse range of occupations in the hospitality industry including commercial cookery, catering and food and beverage service. Scored assessment is available for the Scored Unit 3-4 sequence of the VCE VET Hospitality program. At the end of successfully completing Year 1, you will receive the SIT20322 Certificate II in Hospitality. At the successful completion of the 2nd year of the program, you will receive SIT20421 Certificate II in Cookery.

Pathways / Career Opportunities:

SIT20322 Certificate II in Hospitality reflects the role of individuals who have a defined and limited range of hospitality operational skills and basic industry knowledge. They are involved in mainly routine and repetitive tasks and work under direct supervision. This qualification provides a pathway to work in various hospitality settings, such as restaurants, hotels, motels, catering operations, clubs, pubs, cafes, and coffee shops.

SIT20421 Certificate II in Cookery may prepare individuals with a limited range of food preparation and cookery skills to prepare food and menu items in a kitchen. Graduates typically provide routine and repetitive tasks and are directly supervised. This qualification does not meet the requirements for trade recognition as a cook but can provide a pathway towards achieving that.

Pathways may include employment into various workplaces within the hospitality industry such as restaurants, hotels, catering operations, clubs, pubs, cafes, coffee shops, institutions, aged care facilities, hospitals, prisons, and schools. Typical roles include breakfast cook, catering assistant, fast food cook, sandwich hand, and takeaway cook.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

COURSE CODE: ICT30120

CERTIFICATE III IN INFORMATION TECHNOLOGY

Program Description:

This course will equip the student with comprehensive skills and knowledge to enter the information and communications technology (ICT) field. The course provides the introductory skills and knowledge with an emphasis on ICT support and computer networking. The course incorporates theoretical, practical and hands-on training in areas such as PC hardware and software maintenance; server administration; client operating systems; and workplace skills. The students will be enrolled in enough units over the two years to obtain the full certificate, but VCAA requires only partial completion to obtain satisfactory VCE VET study score. These units are outlined below. The choice is with the students if they want to complete the full certificate by working on the additional units or follow the VCAA pathway which will only be entitled the student to a Statement of Attainment from the RTO.

Pathways / Career Opportunities:

Upon the successful completion of the full certificate a student may seek employment as part of an ICT support team – network technicians, help desk assistant or software support being options. Tertiary pathways/degrees qualifications in ICT networking at Certificate IV or diploma level at TAFE or numerous university degrees in ICT.

NOTE: the support stream is the focus of the course at Wyndham Central

Contribution to VCE / VCE VM & VPC

CERTIFICATE III IN MUSIC (PERFORMANCE) – NOT RUNNING IN 2025

Program Description:

Certificate III in Music enables students to apply a broad range of knowledge and skills in varied work contexts in the music industry. Depending on the electives chosen, Units 1 and 2 include preparing for performances, writing song lyrics, developing ensemble skills and assisting with sound recordings. Units 3 and 4 offer scored assessment and include units such as developing improvisation skills, applying knowledge of genre to music making and performing music as part of a group or as a soloist.

Pathways / Career Opportunities:

Completion of Certificate III prepares students for work in the music industry in areas such as performance, critical listening, music management and music promotions. With additional training and experience, potential employment opportunities may include professional musician, song writer, composer, arranger, copier, promoter, teacher, instrumentalist.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

NOTE: Students must have knowledge, experience and training in playing an instrument or vocals.

CERTIFICATE III IN MUSIC (SOUND PRODUCTION)

Program Description:

Certificate III in Music Industry (Sound Production) provides students with the practical skills and knowledge to record, mix and edit sound sources. Units 1 and 2 include developing music industry knowledge, establishing contractual and work relationships, and following health, safety and security practices. Units 3 and 4 offers scored assessment and includes units such as editing sound using digital systems, operating sound mixing consoles, operating sound reinforcement systems and mixing sound sources.

Pathways / Career Opportunities:

Completion of the Certificate III prepares students for work in the music industry in areas such as sound track laying, digital editing and mixing, audio visual equipment operations and stage management and can be applied to workplaces such as stage productions, radio and medium to large recording studios. With additional training and experience, potential employment opportunities may include sound technician, tour crew member, studio engineer, theatre/television audio technician.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

CERTIFICATE II IN PLUMBING (PRE-APPRENTICESHIP) (PARTIAL COMPLETION)

Program Description:

The Certificate II in Plumbing (Pre-Apprenticeship) will equip you with the basic skills and knowledge to enter the plumbing or associated building industries and is designed to enhance your apprenticeship prospects. The program covers relevant material, equipment, and occupational health and safety procedures to ensure you work safely and effectively on building sites.

Pathways / Career Opportunities:

The direct career pathway from this program is being employed in a full-time apprenticeship. Graduates will need to be employed by a Licensed Plumber before they continue their training as an apprentice.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Additional Costs: Protective clothing and minor equipment may also need to be purchased.

Holiday Training (may be subject to change)

Holiday Training may be expected for this course and will be confirmed at a later date.

Program Requirements This course includes the delivery of First Aid & Construction Induction (White Card). If you already have completed these units previously it is a great benefit! You **MUST** email vetinschools@gordontafe.edu.au your USI Transcript or Statement of Attainment prior to starting the course.

CERTIFICATE II IN PLUMBING (PRE-APPRENTICESHIP) [VICTORIA UNIVERSITY]

Program Description:

This introductory course equips you with knowledge and skills for entry into an apprenticeship (Certificate III in Plumbing) providing a specific range of foundational plumbing techniques.

You will learn

- Working safely as part of a team
- Measuring and calculating
- Using basic industry terminology to communicate effectively
- Reading plans and specifications
- Selecting and using plumbing tools, equipment, and materials
- Producing simple technical drawings
- Using basic welding equipment
- Using plumbing pipes, fittings, and fixtures
- to simulate plumbing installations.

Pathways / Career Opportunities:

The plumbing services industry provides licensed plumbing and drainage services including installing and repairing water supply, sewer lines, septic tanks, drainage and gas systems. Plumbers mostly work in small businesses. This pre-apprenticeship from Victoria University can help you get your foot in the door. It will give you the industry skills to apply for an apprenticeship and start your career in plumbing. Employers often prefer apprentice applicants that have undertaken a pre-apprenticeship.

Contribution to VCE / VCE VM & VPC

These credits must be confirmed with the VET Coordinator at your school.

Additional Costs: Protective clothing and minor equipment may also need to be purchased.

Program Requirements:

COURSE CODE	22569VIC
CERTIFICATE NAME	Certificate II in Plumbing (Pre-apprenticeship)

COURSE CODE: SIS20122 & SIS30122

CERTIFICATE II IN SPORT & RECREATION & CERTIFICATE III IN SPORT, AQUATICS AND RECREATION [DUAL PROGRAM]

Program Description:

The SIS20122-SIS30122 dual-qualification pathway offers all the benefits of a standard SIS30122 program but with the added bonus of a genuine exit point for those students who only complete Year 1 of the program. Students who successfully complete the ten required SIS20122 units will receive a SIS20122 Certificate II in Sport & Recreation at the end of Year 1. Students who complete the full two-year program can complete SIS20122 and SIS30122 certificates, and the VCAA scored program. Students may still enter Year 2 of the program, achieve partial completion of SIS30122, and complete the VCAA scored program.

SIS20122 - Certificate II in Sport and Recreation focuses on practical skills in the sport, fitness, and recreation industry, preparing students to assist with activities and perform equipment maintenance.

SIS30122 - Certificate III in Sport, Aquatics and Recreation provides students with the skills and knowledge to work in the sport, aquatic or recreation industries.

Pathways / Career Opportunities:

Completing **Certificate II in Sport & Recreation** is a great foundation for students wanting to contribute to their community sports club or start in an assistant-level role in a sport, fitness or recreation organisation. Job Opportunities: Customer service assistant, Leisure Assistant, Recreation assistant, Retail assistant, Grounds assistant, Facility assistant.

Certificate III in Sport, Aquatics and Recreation:

Employment opportunities reflect roles such as recreation officer, activity operation officer, sport and recreation attendant, community activities officer or leisure services officer. activities officer, Leisure services officer.

Contribution to VCE / VCE VM & VPC

Credit in the VCE (including VCE VM and VPC): recognition of up to three VCE VET units at Units 1 and 2 level, and a VCE VET Unit 3–4 sequence.

These credits must be confirmed with the VET Coordinator at your school.

Commencement of program will be dependent on adequate student numbers for enrolment and funding.
Programs and units of competency are subject to change prior to commencement.

COURSE CODE: 22567VIC

CERTIFICATE I IN TRANSITION EDUCATION (PARTIAL COMPLETION)

Program Description:

Certificate I in Transition Education is intended to support learners with permanent intellectual disabilities to develop the skills to find the most appropriate option for them in the community after leaving school. This may include employment, volunteer work or further study. The certificate includes the development of employability skills including communication, problem-solving, self-management and use of technology. Students are supported to develop strategies to identify information and resources about everyday activities such as travel, health and participation in recreational activities, develop independent living skills and participate in activities in the community.

Pathways / Career Opportunities

Students who complete this partial program at school may choose to attend The Gordon TAFE post school to complete the Certificate I in Transition Education. Students' goals may also include transitioning to volunteer work or entry-level employment.

Contribution to VCE / VCE VM & VPC
